**SPECIFICATION:**

- The wood used for these bases is solid AYOUS WOOD; it is a soft wood, very suitable to turn but solid enough to be suitable for contract use. It comes from Africa (Horn of Africa), mainly from the Republic of Ivory Coast and nearby countries.
- All tables are made from various pieces of solid wood glued together to form a balanced solid structure to prevent cracking.
- All tops are concave in shape and can be used as a seat.
- Recommended table top sizing not to exceed:
  - Tempered glass: 24" dia. or sq. x 5/16" thick
  - Resin: 24" dia. or sq. x 3/4" thick
