

1205 ZOOM BASE

OVERALL DIMENSIONS

-DINING HEIGHT: 27.5"

-BAR HEIGHT: 40.5"

-AVAILABLE SPREADS: 18" DIA / 24" DIA / 30" DIA

DIMENSIONS ARE APPROXIMATE.

SPECIFICATION:

- All bases consist of a bottom and top round disc piece that is 14 gauge spun metal.
- All bases include adjustable glides to allow leveling on uneven floor.
- Welded metal clips are welded to the top for mounting to table top.
- A 2" Ø column (18" spread) or 3" Ø (24" and 30" spread) column, in 16ga material, is fully welded onto the top and bottom trumpets.
- Standard Spread/Top spinning:
 - 18" dia. spread, 2" dia. column, 15" diameter top spinning (Recommended substrate size: 16" diameter)
 - 24" dia. spread, 2" dia. column, 18" diameter top spinning (Recommended substrate size: 19" diameter)
 - 24" dia. spread, 3" dia. column, 18" diameter top spinning (Recommended substrate size: 19" diameter)
 - 30" dia. spread, 3" dia. column, 24" diameter top spinning (Recommended substrate size: 25" diameter)
- Additional options for added cost:
 - Additional weight (for some stone tops)
 - Increased column thickness (for some stone tops)
- Available in any standard ISA powder coat or plated finishes. Prices vary based on finish.
- Also available in custom heights upon request. Minimum quantities and up-charges may apply.
